Charity Abseil

On this year's Heritage Day, Saturday 11th September, there is an abseil from the top of St Mary's Church tower in support of the Bell Restoration Fund. Somehow, the lovely bellringers have managed to twist my arm to take part in this event. I have never done anything like this before, and it strikes me as a crazy idea to send one of the curates down the tower in this way just as the Vicar heads off on sabbatical! However, as the team of curates has recently expanded, and I could think of no other good excuse, I am now after your sponsorship please. There are forms at the back of both churches and all support would be gratefully received. Steve
